Key Team

Project Objectives

What were you trying to achieve?

Project Details

*What did you do? How did the planning & delivery process work?
How did you decide what project to do and who would do what?*

Success

What went well? What did you enjoy?

Improvements

*What challenges did you face and how could you overcome them?
What would you do differently next time?*

Volunteers & Support

*Who helped you plan and run your project?
Did you get any further help and support from outside the Club?*

Media Coverage

How much media coverage did your project receive?

Finances

How much did your make-over cost? How did you raise funds to cover this?

Impact

*What impact did your project have? Consider not only the Club, but also the local community
and individuals. Have you been able to introduce new members to the Club?*

Comments
